GENERAL INFORMATION

APPLICATIONS FOR TELEPHONE SERVICE

Applications for service, rates, changes in service, directory listings, directory advertising or other information, may be made by telephone, by mail, or in person to the Company's Business Office.

ACCOUNTS FOR SERVICE

Accounts are rendered monthly and are payable when rendered. Each subscriber's account shows charges for exchange service for one month in advance of the date of the account, and Long Distance and Directory Advertising charges, if any, for one month's previous use. For the convenience of our subscribers these accounts may be paid at any of the branch banks of the Royal Bank of Canada.

SERVICE DIFFICULTIES

Our aim is to render service that will be satisfactory to our customers. We realize that difficulties will occur despite all our efforts to avoid them. If at any time difficulties are not promptly corrected or unsatisfactory conditions persist, we will appreciate your communicating the facts to the Manager.

IDENTIFICATION OF EMPLOYEES

All employees of the Company whose duties require them to enter the premises of subscribers or others, are required to wear a badge similar to the accompanying illustration or to produce a card of identification from the Manager. Any person claiming to be an employee of the Company who is without this card or badge should be refused admission, and the Manager be notified at once by telephone.

INTERFERENCE WITH APPARATUS

A Subscriber is not allowed to remove or otherwise interfere with the wire connections or parts of any telephone apparatus leased from this Company, or make attachments thereto.

DIRECTORIES

The Company assumes no liability whatever for damages occurring from errors or omissions in the making up and printing of this book. Subscribers are, however, requested to promptly report to the Business Office, by telephone or in writing, any error which may appear in this issue so that it may be corrected in the next issue.

This Directory is the property of the Company. It is printed for the exclusive use of the Company's patrons and is loaned to its Subscribers. All persons are cautioned against reproducing its contents.

RURAL PARTY LINE INSTRUCTIONS

Always listen before ringing, to ascertain if the line is in use and thus avoid interrupting a conversation that may be in progress.

Before calling a subscriber on your line make sure of his number by consulting the directory, then ring, being careful to make the signal distinct. The signal to give is indicated by the number following the letter "r". The first figure following the letter "r" represents the number of long rings, and the second figure, the number of short rings. For example, to call r-24, give two long followed by four short rings. Do not press the push-button on your instrument when calling a subscriber on your line.

To call a subscriber on another line, signal the operator and give her the number. To signal the operator, press push-button while ringing.

When conversation is finished, replace receiver and give one quick ring-off. Do not press push-button while ringing off.

Conversation should not exceed five minutes' duration. Bear in mind that while you are using the line other subscribers are unable to do so.

PUBLIC NOTICE

This Company's tariffs are open to public inspection. The Exchange Tariff may be seen on application to the Manager at the Company's Central Office. Long Distance Toll Tariffs may be seen on application at the Head Office of the Company, in the City of Montreal, Que., or to the Company's Manager at the toll centre of any locality, the name of which toll centre will be furnished by the Manager of the Local Exchange.

The following are the toll centres for the district covered by this directory—

* In calling these points it is not necessary to ask for "Long Distance." Just give Central the name of the distant town and the telephone number and hold the line while connection is being made.

The 10c rate is for a five minute talk; all others three minutes

"ANYONE" (STATION-TO-STATION) CALLS

where you will speak to anyone within reach at the distant telephone. These rates are the lowest and cheapest. Reduced rates are effective from 7.00 p.m. to 8.30 p.m. and further reductions from 8.30 p.m. to 4.30 a.m., except to nearby points.

PERSON-TO-PERSON CALLS.

where you specify that a particular person is to be called.

Because of the greater service given in such calls, a special charge in addition to the telephone toll rate is made. In the event of the call not being completed a small charge for services rendered is made.

There are no reductions on Person-to-Person calls during the evening or night hours.

On Appointment calls the operator makes the appointment with the distant party, the rate being the same as on Person-to-Person calls.

On Messenger calls the messenger charge is added to the Person-to-Person rate.

¶ Sixty-one years ago a small group of Canadian business men founded The Mutual Life Assurance Company of Canada, their aim being to furnish "The Greatest Amount of Insurance for the Least Possible Outlay." The Company was established on a mutual basis—without shareholders and without capital stock—so that all surplus earnings might be returned to policyholders.

¶ Today this purely mutual Company has Assurances in Force of Five Hundred Millions; Assets over One Hundred and Sixteen Millions; Surplus Funds and Contingency Reserves over Twelve Million Dollars—a powerful endorsement of the mutual principle.

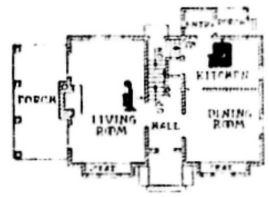
THE BELL TELEPHONE COMPANY OF CANADA

Business speaks --at 186,000 miles a second

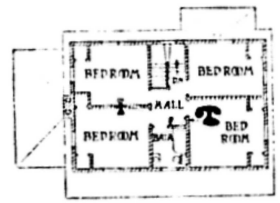
Good business is based on sound ideas. As soon as a thought is born in your mind—as soon as you know it's right—send it out to work for you. "Get action!" says the business leader of today. Of what use is a practical thought if you don't send it out? Why not act as fast as you think? Give your thoughts wings. The telephone is at your elbow. It brings every customer within hearing.

Comfort in the home!



FIRST FLOOR

Suppose you had a number of telephones in your home—extension telephones at convenient locations. When the bell rang, you would merely step to the nearest telephone—in the hall, a bedroom, or wherever the telephone happened to be, and take the call there. Or suppose you wanted to chat in private. You could do so in your own room, away from the disturbing current of household affairs.



SECOND FLOOR

How convenient would be a home that boasted such telephone equipment! How infinitely easier would be the management of the household! Extension telephones safeguard your health and conserve your time. They are a convenience well worth the few cents they cost daily.

ALL WEEK SHE WAITS FOR THIS HOUR!

THIS picture represents a typical evening scene in a modern home. Mother is talking to her son in a distant city and treasuring every word of the precious conversation. They talk to each other every week and the low night rates on "Anyone" calls make it an inexpensive pleasure.

Is this a scene in *your* home? Why not call "those folks away," now—by Long Distance? It's an experience that soon becomes a habit.

Message and Reply—Instantaneously!

From the telephone on your desk to that of any out-of-town customer is only a matter of a few minutes.

Long Distance service is now speedier than ever, with over 87% of all out-of-town calls being put through while the person calling remains at the telephone.

And the cost is small—any point within a radius of 64 miles is available for 45c or less.

Consider Long Distance as a means of increasing your out-of-town business.
